**CHAIR REPORT:**

This will be my last area as chair. I would like to thank everyone for allowing me to be of service and entrusting in me to be able to do the task at hand. We as an area need to fill some area positions, so if you are interested in doing service, please contact one of us. I have learned a lot from everybody. It has been a privilege and honor to serve. Thank you everybody for your support.

ILS, Paul B.

**VICE CHAIR REPORT:**

Hello Everyone,

Surprise..... It's really me. I apologize for my absences. Hopefully I can do some better planning in the future to insure my presence here on a regular basis but I have no control over how some of the other committees I serve on do there planning. At the very least I can almost guarantee I won't have back to back absences any time soon.

I understand based on last month's minutes that I was nominated for the Area Chair position. If the nomination still stands I will accept it. I've brought my service resume and will answer any questions today that this body may have for me. I also forwarded a copy to our secretary to add to the minutes so you will have it at your group business meetings. I encourage you as your group's representatives to go back to your groups and fill the other positions we have open. We are a strong area and we need strong leadership. Anyone that is interested in any of these positions should be encouraged to come forward regardless of clean time or experience. We really need to be training our new leadership at this time. Service is one of the cornerstones of recovery and every addict should have the privilege of experiencing it at this level.

ILS, Mark B
