Omaha Correctional Center H&I Meeting

We have kept our commitment of meetings every Saturday of the month. For the month, the meeting was averaging 30-35 addicts. The Symposium was held March 25, with 37 attendees. The speakers, Mike H. and Robert S. from Council Bluffs, and Dwight Nelson from Decatur, did a great job. Thanks to the panel volunteers that attended that day.

Several of the regular attendees would like to have an NA sponsor to communicate with outside the walls. There are also addicts being transferred to the Work Release Center that desire rides to our area meetings.

Thanks for the opportunity to serve,

John L.

The Sally -

Greetings in Recovery,

Planning is starting. We are not meeting today. We have sent out a survey from people who attended Close Encounters 2017 and have gotten 52 back so far. Some of the results are what we expected, and some are surprising. We will go through the results and report back to you the findings. These will be used to plan this years Close Encounters. If you have not filled one out please do so. We have extended the pre-registration prices until our next meeting April 20. See Nic to get in on this steal of a deal. This is a contract year and I will keep you all informed of the process of the hotel search and negotiations.

ILS Barry B.
