The NRSCNA met in Lincoln on 1-13. Anita and Alycia accompanied me.

The three of us first attended the General Assembly, at which time Amanda gave the orientation to the Sponsorship Behind the Walls. This orientation was well attended. Please see Flyers for the future workshops and dates, and remember there are also virtual online trainings via Zoom. You must sign up for the online training at least two days before the training. SBTW continues to be a new and exciting addition to NA and sponsorship in this area.

Anita gave the report for this ASC

A straw poll carried both the Region supporting Zonal seating at the WSC and the increase to the H&I budget. These were the proposals from the October NRSCNA that were taken back to the groups to vote on.

NRCNA 34 donated \$6,806.94, obviously, making the convention a success.

The Host Coordinator, Amanda M, announced that any facility/professional working with addicts may be invited to attend the Multi-Zonal Service Symposium for the NA Public Relations with Professionals event part of the weekend.

Highlights of discussion/open business included:

The reminder of our 11<sup>th</sup> Tradition,....., we need always maintain personal anonymity at the level of press, radio, and films.

The suggestion of only using vendors connected to an NA body.

4. Secretary (minutes) Last months minutes date was a month off!

5. Treasurer/Vice-Treasurer- \$290.67 in donations

**1. Close Encounters 2018:**

Greetings in recovery,

The convention is just around the corner. GSR please get with Jason about your group volunteer a time slot with the Convention. We don't expect and monetarily commitment form your group. Just people power. Please register for the convention. We have gone through 3 Sales Mangers this year at the Hotel RL. Nothing has been nailed down about the convention meeting rooms. We will be meeting with the Hotel this week. We have had physical illness of a couple of committee members. We have approached from convention members to pitch in. We have newcomer registrations for your groups. See you at the convention.

ILS Barry B.

**2. Close Encounters 2019:**

Greetings in recovery.

We have open positions of Secretary, Vice Treasurer, Fundraising, and Hospitality. We will meet today right after the area meeting and decide on pre-t-shirts and early bird registration prices. We have Hotel RL reserved for 22, 23, & 24 of February 2019. This includes the Omaha Room. We will see if this reservation holds for the Omaha Room. This would allow for future growth.

ILS, Barry B.

**Public Relations:**

All of our commitments are being met and doing well. We just got a couple of racks to Campus of Hope and the Detox Center. I handed out some list for people that are H&I trained and would like for people to turn them back into me.

In loving service, Nic S

**3. P3:**

Hello Everyone,

First let me start by thanking everyone who came out last night and helped make the fundraiser such a success. I don't have all the math completely done yet, I need to wait for the credit card stuff to clear the bank but it looks like we raised right at about \$4000. Based on last year's numbers that will be about 50% of our annual budget for this year. And that number is after all

our expenses. We also had several groups donate to us directly for a total of \$445 which is included in the first number.

I also was able to get our merchandise order in for the upcoming year this week. We have pull over hoodies, zip up hoodies, men's & women's T-shirts along with stainless steel travel mugs this year. All of that should be ready well before CECK.

We have sent out a total of 22 Basic Texts this month. We ended 2017 with a total of 572 which is down a couple hundred from last year but still our second best year ever.

ILS, Mark B

#### **4. Activities:**

The NYE function was a success. We had a great turnout and were able to make a donation today to the ASC in the amount of \$31. Our committee did not meet in January, but plan to meet on the 2<sup>nd</sup> Sunday of February: 2/11. Please join us at St. Matt's at 1PM in the Art Room to start planning for the rest of the winter months, spring and summer!

ILS,  
Sarah L.

Policy Chair report

The executive committee met on Wednesday January 24<sup>th</sup> to review the Area Guidelines and clarified amendments that have not been added to the guidelines.

We are in the process of reviewing the document and will have information at February ASC for you to review. The goal is to have a completed updated document by the March ASC.

We are in the process of adding a schedule/timeline to the policy guidelines that will need to be approved by the service body.

Thank you

ILS Lori F.
